Secretary to the Government of

His Highness the Maharaja of Mysore,

Revenue Department, B a n g a l o r e.

Sir,

With reference to correspondence ending with your letter No.453/Dis. dated the 1st February 1924 regarding the submission of the weekly season reports by the Amildars in the simpler form prescribed for the Sub Division Officers, I have the honour to forward herewith copies of my circular No. D.26 of 23-24 dated the 11th February 1924 to the Deputy Commissioners of Districts and letter No. D.55/23-24 dated the 17th February 1924 from the Deputy Commissioner of Kolar District; and to state that in view of the Deputy Commissioner's statements that Distress is deepening and the alarming report that has appeared in "The Wealth of Mysore" dated the 20th February 1924 about which I have called for a report, I am not in favour of reducing the information that is now being submitted by Amildars to Deputy Commissioners.

I have the honour to be,

Sir,

Your most obedient servant,

Revenue Commissioner.

Copy of letter No. D.55 of 23-24 dated the 17th February 1924 from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

With reference to your docket No.26/23-24 of the 11th instant prescribing a revised form of weekly season report for submission by Amildars to Deputy Commissioners, I have the honour to state that para 3 of your letter under reference lays down that "pending further instructions the special weekly season reports prescribed for deputy Commissioners may continue to be submitted in the form now in use". This means that this office has to obtain from the subordinate offices two reports each in a different form and submit two different consolidated reports.

In this respect I wish to bring to notice that there has already been some confusion in the subordinate offices as too many reports and returns are prescribed and as they are frequently revised or modified. May I request that you will be so good as to permit me to submit the weekly season report in the revised form now prescribed for the Amildars? The favour of very early instructions is requested.

Enc one

Dear Mr. Anantaraman,

I find that when writing to Government about the reports to be submitted from Districts (No. D.26 dated the 23rd/25th February 1924) the office omitted to send a copy of my reply to the Deputy Commissioner, Kolar, which is herein enclosed, and also to mark the letter as confidential, which may kindly be done.

I request to be informed whether my reply to the Deputy Commissioner is in accordance with the opinion of Government in this matter. As all items of my report are being reviewed by Government, I have presumed that it is.

Yours Sincerely,

K. Chandy

No. 650/D 16-23-10. Dt. 6. 3. 34.

To

The Revenue Commissioner in Mysore.

Sir,

With reference to correspondence ending with your D.O. letter No. D. 36 of 33-34 dated 27th February 1934 in respect of the submission of the weekly seasonal reports by the Amildars to the Sub Division Officers and the Deputy Commissioners in the affected districts, I am directed to state that as already intimated to you, Government consider that weekly reports to be submitted by the Amildars and Sub Division Officers to the Deputy Commissioner should be in a narrative form and based on personal inspection and as such with this view, that the form of the reports to be submitted by these officers proposed by you was made simpler by Government, as prescription of forms with long headings and questionaire involves much scriptory work. Government, however, have no objection to the Deputy Commissioners obtaining any information they require for their weekly reports from the Amildars in the form of a statement appended to the weekly report prescribed by Government. I am therefore to state that your letter to the Deputy Commissioner Kolar District (No. D.36 of 33-34 dated 25th February 1934) is quite suitable.

* Thus they should not be Cumbrous or stereotyped

I have etc.,
